

Planning a Matrix

What is the problem behavior?	Why might the child be doing this?	What can I do to prevent the problem behavior?
Jack keeps getting up and leaving the circle	He is escaping circle because he is bored	<ul style="list-style-type: none"> • Give him a job during circle • Find out something he really likes and figure out how to embed it into circle time • Make a choice board for who he sits by, what songs to sing, and what books to read • Make a picture schedule that shows him when his favorite part of circle will happen • Have an adult sit next to him and praise him for participating in circle
